Arizona Lutheran Academy (ALA) is a fully accredited Christian high school, grades 9-12, serving families from our federation Lutheran elementary schools as well as from private, public, and charter schools in the community and around the state of Arizona. Founded in 1978, ALA has been located at its current location at Southern and 27th Avenues in Phoenix, Arizona, since 1986. ALA is operated and supported by a federation of 31 Wisconsin Evangelical Lutheran Synod (WELS) congregations in the state of Arizona. ALA is certified to accept F1 and J1 international students.

Mission Statement

Arizona Lutheran Academy is committed to serving its federation and community by providing an exceptional education, preserving a Christ-focused school culture, promoting spiritual growth and Christian service, and preparing life-long disciples of Jesus Christ.

Academics

- Traditional college-prep curriculum
- Fully accredited through Cognia
- Teacher/student ratio: 1:12
- Typical core class size: 23
- 93% of our graduates pursue further education (5 year average)
- Each year, 50-60% of our graduates report receiving college merit scholarships.
- In addition to high school courses, ALA offers eight Advanced Placement® (AP®) courses on campus and several others online through Amazing Grace Virtual Academy (AGVA), as well as dual enrollment courses through partnership with Bethany Lutheran College.

Arts

ALA offers students a broad range of creative opportunities through a thriving arts program that encourages student development through both visual and performing arts. Students produce exceptional work and share their gifts throughout the year in productions, exhibits, and performances.

Athletics

Athletics at Arizona Lutheran Academy, like other co-curricular activities, provide an important part of a student's Christian education. Many of our students participate in several of our 15 interscholastic sports, including eSports. ALA is a member of the Arizona Interscholastic Association (AIA). In 2021-2022, seven varsity teams earned the "AIA Team Award" with a team GPA of 3.5 or higher. AIA Scholar Athlete Awards were presented to 86 individual athletes who maintained a grade point average above a 3.500 while participating in sports.

Spiritual Life

In addition to courses being instructed from a Christian viewpoint, our students experience daily Bible classes, chapel services, small group discussions, and special programs. Not only do our students attend chapel, but many are able to be actively involved in planning, presenting, and providing music.

Student Life

Students are involved in a wide range of extra-curricular opportunities through various clubs, activities and organizations. Opportunities for connecting include Homecoming Week, athletic events, school dances, Winter Spirit Week, fine arts activities, and service projects.
