**EXPERIENCE ALA** Arizona Lutheran Academy (ALA) is a nationally accredited high school. Our university-preparatory program is known for its AP classes, ESL support, a friendly student body, and many opportunities to get involved in student life.

**EXPERIENCE AMERICA** As one of the largest cities in America, Phoenix is full of opportunities to experience American culture. Its warm, sunny climate makes it a beautiful place to live, with plenty of things to enjoy outdoors year-round.

**EXPERIENCE HOST FAMILIES** Arizona Lutheran Academy handpicks each host family for our international students. Our host families are excited to welcome international students into their homes, where they experience the warmth of American family life.

### OPPORTUNITIES FOR STUDENT INVOLVEMENT
